Hi Ian,

I wanted to make sure you received the summons, complaint, and waiver of service form.

I also wanted to reach out to you about some media I am planning around this lawsuit. I am looking into renting a bill board on 191 on the way to Big Sky that says: "Heated chair lifts but no health care for seasonal employees? That's B.S.!"

I am not aware of any ethical rules that preclude me from doing that but I wanted to flag it for your attention in case you saw something I didn't.

Also, I have a current medical malpractice claim against the Billings Clinic, who is being represented by Dave Whisenand of Crowley/Fleck (cc'd here). I wanted to be sure there are no conflicts of interest.

Thank you,

John Meyer
